

RSHom(NA) Showcase

NASH is pleased to announce a new newsletter feature: The RsHom(NA) Showcase.

We want to share your accomplishments and promote your endeavors. If you have published an article, written a book, volunteer using homeopathy or are speaking or teaching, we want to know!

The criteria is:

- Must feature the Registered Member, not their company, school or personal practice
- Must benefit members, such as teaching opportunities, research information, etc.
- Can only be featured once a year
- Promotes classical homeopathy only: no protocols, adjunct therapies, detox methods
- No product sales

Send your submissions to nashinfo@homeopathy.org and we will include your submission in the next newsletter.
