

# NASH RSHom(NA)

The growing reputation of homeopathy as a true healing art is founded on the consistent healing work of dedicated practitioners, hereafter called **professional homeopaths**.

---

# The North American Society of Homeopaths (NASH)

“Is dedicated to promoting, representing, and serving as the voice of all PROFESSIONAL homeopaths in North America. NASH aims to develop and uphold the highest level of excellence in homeopathic practice while enhancing the role of the homeopathic profession as an integral part of health care delivery.”

---

# About NASH

- NASH was originally founded in 1990. Its mission was to set standards of competency and to create a registry of individuals highly trained in the practice of classical homeopathy in order to inform and protect consumers.
  - Since 2001, NASH has worked in close communication with organizations that set and maintain standards of practice for classical homeopathy. NASH aims to uphold the highest standards of excellence in homeopathic practice.
  - An important element on NASH's mission is to promote and represent professional homeopaths and to enhance the role of the homeopathic profession as an integral part of health care delivery in North America

## FOUNDATION

---

- The NASH FOUNDATION was incorporated in Colorado in 1999 as a non-profit charitable corporation dedicated to education, research and publications to support and enhance the profession of homeopathy. This is the 501(c)(3) are of NASH. Activities of the organization include but are not limited to:
  - Sponsoring workshops, seminars and conferences in homeopathic education
  - Publishing educational and scientific materials relating to homeopathy
    - The NASH annual journal *The American Homeopath* debuted in 1994 as one of the world's most comprehensive homeopathic journals which includes a collection of articles, interviews, case studies, materia medica provings, book reviews and more.
  - Funding research projects involved with homeopathy
  - Funding special projects that enhance and expand the awareness of the profession of homeopathy
    - NASH Scholarships – Four scholarships were awarded this year to deserving students who are close to completing their undergraduate education. The Scholarship program began in 2014.

As a leading organization representing all professional homeopaths in North America, NASH is committed to supporting its members in meeting the challenges of professional homeopathic practice.

NASH's goal is to further expand a cohesive organization that provides its members:

- Professional unity and strength.
- A strong voice among other health care modalities.
